

Positioning Aids

SnuggleUp

The SnuggleUp is a soft, cozy nest that helps provide proper positioning for preterm and ill babies. Its padded footroll and soft, adjustable straps allow movement while gently maintaining appropriate positioning.

Reusable SnuggleUp

SnuggleUps are made from a soft, washable cotton/polyester interlock knit that can be washed and reused.

Product #	Legacy #	Description	Quantity per case
989805606311	91015-X	Extra small for infants < 900 g (< 2 lb)	12
989805606281	91015-A	Small for infants 800 to 1350 g (1.8 to 3 lb)	12
989805606291	91015-B	Medium for infants 1300 to 2250 g (2.8 to 5 lb)	12
989805606301	91015-C	Large for infants > 2250 g (> 5 lb)	12

Disposable SnuggleUp

Disposable SnuggleUps are particularly useful for admissions, procedures, transport, or when laundry facilities are not available.
